Introduction

This pamphlet provides general information about the reports that the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA) and the Civil Service Reform Act of 1978 (CSRA) require to be filed with the U.S. Department of Labor by labor unions, union officers and employees, employers, labor relations consultants, and surety companies.

The LMRDA applies to labor organizations which represent private sector employees and U.S. Postal Service employees while the CSRA applies to labor organizations which represent employees in most agencies of the executive branch of the federal government. The regulations implementing the standards of conduct provisions of the CSRA incorporate many LMRDA provisions, including those related to labor organization reporting requirements. (Federal sector labor organizations subject to the Foreign Service Act or the Congressional Accountability Act are also required to file the union reports described in this pamphlet.)

All reports must be filed with the U.S. Department of Labor, Office of Labor-Management Standards (OLMS). Each reporting form prescribed by OLMS and the type of information to be reported are discussed in this pamphlet. The table at the back of this pamphlet lists the name and number of each form, the persons who are required to sign and file it, and its due date.

This pamphlet is designed to assist those subject to the reporting requirements of the LMRDA or the CSRA. It presents general information about the provisions of the laws and should not be construed as an official interpretation of their provisions. Detailed instructions concerning completion of the forms and information to be reported are included with the reporting forms.

General Reporting Requirements

The Labor-Management Reporting and Disclosure Act of 1959 (LMRDA), and the Civil Service Reform Act of 1978 (CSRA) require certain reports to be filed with the U.S. Department of Labor.

Who Must Report

The reporting requirements apply to labor organizations, except state or local central bodies and unions representing only public employees whose employer is any state or political subdivision of a state, such as a county or municipality. An intermediate body that is subordinate to a national or international labor organization covered by the LMRDA, however, is subject to the reporting requirements even if it does not represent any private sector employees. In addition, these requirements also apply to

- officers and employees of such unions,
- employers,
- labor relations consultants, and
- surety companies.

How to File

The Form LM-2 must be filed electronically. Form LM-3 and Form LM-4 may be filed electronically. All other forms may be completed using software available at

http://www.dol.gov/olms/regs/compliance/GPEA_Forms/blanklmforms.htm

but must be printed, signed manually, and filed with the U.S. Department of Labor at the following address:

U.S. Department of Labor
OLMS, Room N-1519
200 Constitution Avenue, NW
Washington, DC 20210-0001

Public Disclosure

All reports are public information, and the Secretary of Labor may publish any information or data obtained from reports filed under the reporting provisions of the LMRDA or CSRA.

Individuals may examine labor organization annual financial reports, union officer and employee reports, and employer and labor relations consultant reports free of charge or purchase copies via the Online Public Disclosure Room at: <http://www.unionreports.gov>. Anyone with a computer and internet connection can view and print copies of these reports for year 2000 and later in pdf format. Individuals can also conduct searches of union records and generate reports based on user-selected search criteria.

Any person may examine reports and related documents free of charge or may purchase copies for 15 cents per page at the OLMS Public Disclosure Room in Room N-1519 at 200 Constitution Avenue, NW, Washington, DC 20210-0001.

For more information, please see our pamphlet, *Public Disclosure Under the LMRDA*, at www.olms.dol.gov.

Recordkeeping

Every person who is required to file a report under the LMRDA or the CSRA, either as an individual or as an officer of a union or employer, is responsible for maintaining records which will provide in sufficient detail the information and data necessary to verify the accuracy and completeness of the report. These records must be kept for at least 5 years after the date the report is filed. Any record necessary to verify, explain, or clarify the report must be retained, including, but not limited to, vouchers, worksheets, receipts, and applicable resolutions. For more information about union recordkeeping, please see our fact sheet, *LMRDA Recordkeeping Requirements for Unions*, at www.olms.dol.gov.

Enforcement

Civil Enforcement

OLMS has authority to conduct investigations concerning compliance with the reporting requirements of the LMRDA and the CSRA. The Secretary of Labor may file civil actions in Federal courts to restrain violations and ensure compliance with the LMRDA reporting requirements.

Enforcement of the CSRA reporting requirements is through administrative action which involves the filing of a complaint by OLMS, a hearing before a Department of Labor administrative law judge, the judge's report and recommendation, and a decision and order by the Assistant Secretary for Employment Standards.

Criminal Penalties

The following acts are made criminal under the LMRDA:

- Willfully failing to file a report or keep required records;
- Knowingly making a false statement or representation of a material fact or knowingly failing to disclose a material fact in a report or other required document; and
- Willfully making a false entry in, or withholding, concealing, or destroying documents required to be kept.

These acts are punishable by a fine of not more than \$100,000, imprisonment for not more than 1 year, or both.

Filing a false report under the CSRA is a violation of 18 U.S.C. 1001 punishable by a fine of not more than \$250,000, imprisonment for not more than 5 years, or both.

Union Reports

Form LM-1

Information Reports

The LMRDA and the CSRA regulations require that every covered union adopt a constitution and bylaws and file two copies with OLMS, along with a Labor Organization Information Report, Form LM-1, providing certain information about the structure, practices, and procedures of the union.

Deadline. The initial information report, Form LM-1, is due within 90 days after the union first becomes subject to the LMRDA or the CSRA.

Signatures. Form LM-1 must be signed by the president and secretary or corresponding principal officers of the reporting union.

Reporting Information. Form LM-1 requires information such as:

- identification of the union
- identification of officers
- rates of dues and fees
- fiscal year ending date

Additionally, labor organizations (except Federal employee labor organizations subject solely to the CSRA) must indicate where in the union's constitution and bylaws certain practices and procedures are described or, if not in the constitution, provide a detailed statement describing the practices and procedures. Among the items to be reported are practices for:

- authorizing disbursement of funds
- selecting officers and other union representatives
- protesting a defect in the election of officers
- disciplining and removing officers
- fining, expelling, and suspending members
- ratifying contract terms
- authorizing strikes

All reporting unions except Federal employee unions subject solely to the CSRA are required to file an amended Form LM-1 to update the information on file with OLMS if there have been any changes in the reported practices and procedures which are not contained in the union's constitution and bylaws. The amended Form LM-1 must be filed with the union's annual financial report (Form LM-2, LM-3, or LM-4, as discussed below) for the reporting period in which the change occurred.

File Number Assignment. OLMS assigns a six-digit file number to each union filing a Form LM-1. OLMS acknowledges receipt of each Form LM-1 and informs the union of its file number which must be entered on its annual financial reports and on all correspondence with OLMS.

Reporting Forms

Annual Financial Reports

Unions must file an annual financial report on one of three Labor Organization Annual Reports, Form LM-2, LM-3, or LM-4. The three forms vary in the level of financial details which must be reported. The filing requirements are determined by the total annual receipts of the union:

- **Form LM-2** – This most detailed annual report must be filed by unions with total annual receipts of \$250,000 or more and those in trusteeship.
- **Form LM-3** – This less detailed annual report may be filed by unions with total annual receipts of less than \$250,000 if not in trusteeship.
- **Form LM-4** – This abbreviated annual report may be filed by unions with less than \$10,000 in total annual receipts if not in trusteeship.

Deadline. The annual financial report is due within 90 days after the end of the union's fiscal year.

Signatures. Form LM-2, LM-3, or LM-4 must be signed by the president and treasurer or corresponding principal officers of the reporting union.

Form LM-2

Reporting Information. Form LM-2 is the most detailed annual financial report requiring completion of 21 information items, 47 financial items, and 20 supporting schedules. Information to be reported includes

- whether the union has any trusts in which the union is interested as defined in the instructions
- whether the union has a political action committee (PAC)
- whether the union discovered any loss or shortage of funds
- whether the union had an audit of its books or records
- rates of dues and fees
- 7 asset categories such as cash and investments
- 4 liability categories such as accounts payable and mortgages payable
- 13 receipt categories such as dues and interest
- 16 disbursement categories such as benefits and repayment of loans obtained
- a schedule of payments to officers
- a schedule of payments to employees
- a schedule of loans payable
- a schedule of loans receivable
- an accounts receivable aging schedule
- an accounts payable aging schedule
- a schedule of membership status

- six functional schedules itemizing individual receipts or disbursements of \$5,000 or more and total receipts or disbursements to a single entity or individual that aggregate to \$5,000 or more
 - other receipts
 - representational activities
 - political activities and lobbying
 - contributions, gifts, and grants
 - general overhead
 - union administration

Filing. The Form LM-2 must be prepared using software obtained from the OLMS Web site:

Form LM-2: <http://www.dol.gov/olms/regs/compliance/reviseidl2.htm>

The reports must be signed with digital signatures and submitted electronically. Information on obtaining electronic signatures is available at:

<http://www.dol.gov/olms/regs/compliance/digital-signatures.htm>

Temporary Hardship Exemption. If a labor organization experiences unanticipated technical difficulties that prevent the timely electronic preparation and submission of the Form LM-2, the organization may file a paper format report by the required due date. An electronic format copy of the report must then be filed within 10 business days after the required due date.

Continuing Hardship Exemption. If a labor organization knows in advance that the Form LM-2 cannot be filed electronically without undue burden or expense, it may apply in writing for a continuing hardship exemption. The application must be received by OLMS at least 30 days before the required due date. The application must be mailed to the following address:

U.S. Department of Labor
OLMS, Room N-5609
200 Constitution Avenue, NW
Washington, DC 20210

The application must include, but not be limited to, the following:

- the requested time period of the exemption not to exceed one year
- the justification for the requested time period
- a description of the burden and expense that the labor organization would incur if it was required to make an electronic submission
- the reasons for not submitting the report electronically

The continuing hardship exemption shall not be deemed granted until OLMS notifies the labor organization in writing.

Additional Information. The OLMS Web site at www.olms.dol.gov contains extensive information about the Form LM-2.

Form LM-3

Reporting Information. Form LM-3 is less detailed, requiring the completion of 23 information and 32 financial items. Information to be reported includes:

- whether the union has any subsidiary organizations
- whether the union has a PAC
- whether the union discovered any loss or shortage of funds
- number of members
- rates of dues and fees
- payments to officers
- 6 asset categories and 4 liability categories
- 6 receipt categories
- 10 disbursement categories

Form LM-4

Reporting Information. Form LM-4 is the least detailed annual financial report, requiring completion of 13 information and 5 financial items. Information to be reported includes:

- whether the union changed its rates of dues and fees
- whether the union discovered any loss or shortage of funds
- number of members
- total value of assets
- total liabilities
- total receipts
- total disbursements
- total amount of payments to officers and employees

Software for electronically completing and filing Form LM-3 and Form LM-4 is available from the OLMS Web site:

Simplified Annual Reports

A local union that has no assets, liabilities, receipts, or disbursements, and which is not in trusteeship, is not required to file an annual report if its parent union files a simplified annual report on its behalf. In order to be eligible for this simplified annual reporting, the local must be governed solely by a uniform constitution and bylaws filed with OLMS by its parent union and its members must be subject to uniform fees and dues applicable to all members of the local unions for which the parent union files simplified reports. The parent union must submit annually to OLMS certain basic information about the local, including the names of all officers, together with a certification signed by the president and treasurer of the parent union.

If a parent body holds funds in the name of a local union and receives and disburses funds on behalf of the local, the local is considered to have receipts and disbursements and is not eligible to have a simplified annual report filed on its behalf by the national organization.

Terminal Labor Organization Reports

Any union which has gone out of existence by disbanding, merging into another organization, or being merged and consolidated with one or more labor organizations to form a new organization must file a terminal report.

The terminal report must be filed on Form LM-2 if the union filed its last annual report on Form LM-2. It may be filed on Form LM-3 if the union filed its last annual report on Form LM-3, and its total receipts for the part of the fiscal year during which it was in existence were less than \$250,000. It may be filed on Form LM-4 if the union filed its last annual report on Form LM-4, and its total receipts for the part of the fiscal year during which it was in existence were less than \$10,000.

Deadline. The terminal report should be filed within 30 days after the effective date of the union's termination or loss of reporting identity.

Signatures. The terminal report, Forms LM-2, LM-3, or LM-4, must be signed by the president and treasurer or corresponding principal officers who were serving at the time of termination.

Reporting Information. This report must contain a detailed statement of the circumstances and effective date of the union's termination or loss of reporting identity. A union which is absorbed into another must report the name, address, and file number of the union into which it has been merged. The terminal report must reflect the union's financial condition at the time of termination or loss of reporting identity, must describe plans for the disposition of the organization's cash and other assets, and must cover the period from the beginning of the fiscal year through the date of termination.

Trusteeship Reports

"Trusteeship" is defined in the LMRDA as "any receivership, trusteeship, or other method of supervision or control whereby a labor organization suspends the autonomy otherwise available to a subordinate body under its constitution or bylaws."

Reporting Forms. Trusteeship reports must be filed using the following forms:

- Form LM-15 - Trusteeship Report
- Form LM-16 - Terminal Trusteeship Report
- Form LM-15A - Report on Selection of Delegates and Officers

Signatures. All trusteeship reports on Forms LM-15, LM-15A, and LM-16 and the Form LM-2 filed on behalf of a trustee subordinate union must be signed by the president and treasurer or corresponding principal officers of the parent union and by the trustees of the subordinate union.

Form LM-15

Initial Reports. Within 30 days after imposing a trusteeship over a subordinate union, the parent union must file an initial Trusteeship Report, Form LM-15, to disclose the reasons for the trusteeship, when it was established, the financial condition of the trustee union at the time the trusteeship was established, and other required information.

Semiannual Reports. Within 30 days after the end of each 6-month period for the duration of the trusteeship, the parent union must file a semiannual report, on Form LM-15, explaining its reasons for continuing the trusteeship.

Annual Financial Reports. For the duration of the trusteeship, the parent union must file an annual financial report on Form LM-2 on behalf of the trustee subordinate union within 90 days after the end of the trustee union's fiscal year.

If the trustee union made any changes during the reporting year in the practices and procedures listed in the instructions for Item 18 of the Form LM-2, the parent union must file an amended Form LM-1 with the Form LM-2.

Form LM-16

Terminal Reports. Within 90 days after the termination of the trusteeship, or the loss of identity as a reporting organization by the trustee union, the parent union must file a Terminal Trusteeship Report, Form LM-16, disclosing: the date and method of terminating the trusteeship; the names, titles, and method of selecting the subordinate union's officers; and other required information. A terminal trusteeship financial report on Form LM-2 must also be filed within 90 days after the termination of the trusteeship.

Form LM-15A

Report on Selection of Delegates and Officers. Form LM-15A must be filed with an initial, semiannual, or terminal trusteeship report if, during the period covered by the report, there was any:

- convention or other policy-determining body to which the subordinate union sent delegates or would have sent delegates if not in trusteeship; or
- election of officers of the union which imposed the trusteeship over the subordinate union.

The extent of the trustee union's participation or nonparticipation in any such convention or election must be detailed on the Form LM-15A.

Other Requirements

The LMRDA requires every labor organization to:

- make available to all of its members information contained in all reports which must be filed with OLMS; and
- permit members, for just cause, to examine any books, records, and accounts necessary to verify such reports.

Members must file suit in state or Federal court to enforce these requirements. The CSRA contains similar provisions which are enforced by OLMS.

Other Reports

Form LM-30

Labor Organization Officer and Employee Reports

Conditions for Reporting. Union officers or employees (except employees performing exclusively clerical or custodial services) must file a Labor Organization Officer and Employee Report, Form LM-30, if they or their spouses or minor children

- Have any securities or other interest in, or income or other benefit from, a business which buys from, or sells or leases to, or otherwise deals with, their union or any trusts in which their union is interested.

Non-Reportable Activities. Reports are not required on bona fide investments in securities traded on a registered national securities exchange, in shares of a registered investment company, in securities of a registered public utility holding company, or on any income from such bona fide investments. A labor organization officer or employee does not have to report payments or gifts totaling \$250 or less from any one source (payments or gifts valued at \$20 or less do not need to be included in determining whether the \$250 threshold has been met).

Deadline. Labor organization officers and employees must file Form LM-30 within 90 days after the end of their fiscal year. A revised Form LM-30 has been issued and must be filed by a labor organization officer or employee for reports covering any of his or her fiscal years that begin on or after August 16, 2007. - Arrangements or expenditures solely for obtaining information in connection with an administrative, arbitral, or court proceeding;

- The services of a labor relations consultant or any other person with regard to advice which that consultant or person has given to the employer, or with regard to the consultant representing the employer in a proceeding of the type referred to above, or who agrees to engage in collective bargaining on behalf of the employer.
